Sirman SaUsage Stuffers , model IS 25 Idra :

Simple and functional, the new IDRA hydraulic vertical sausage fillers feature a powerful hydraulic system that operates at a pressure of 120 bars. Manufactured entirely from stainless steel, the machine can be completely disassembled for easy cleaning without requiring tools.

It features characteristics typical of higher category models:

- fully stainless steel cover and piston;
- silicone gaskets that act inside the cylinder for better seal and longer life of the gasket;
- hermetic protection of the hydraulic cylinder;
- stainless steel piston rod;
- polished and rounded stainless steel cylinder, without obligatory direction;
- powerful and silent ventilated motor operating at 2,800 rpm with immediate action;
- automatic piston return when motor stops;
- IP 67 stainless steel controls,
- high-precision oil flow controller;
- standard rubber wheels.
- oil tank with level gauge.

Very easy to clean

Funnels s/s ø 13-16-20-38 optional

Bush in stainless steel, optional

Data sheet

Technical data

Model	IS 25 IDRA
Power source	Watt 560 - Hp 0,75
